Hi Jessica,

I left you a brief message today in regards to Allenco. The paperwork that you received today and forwarded to me is not a Fire Department sign off. That report is a *Fire Department Equipment Performance Report*, which is filled out by a private testing company and in this case Brennan Fire & Security, Inc.

I spoke with Inspector Mark Chase, who signs off on fire systems for the LA City Fire Dept., and Allenco has not contacted him. Also I received a message from Inspector John Vigil, Environmental Legal Unit, and he has not heard of any systems at Allenco signed off by the Fire Department.

Therefore, the attached *Fire Department Equipment Performance Report* does not represent a valid Fire Department sign off.

If you have any questions, please contact me.
Enjoy your day,
Jennifer
